

Don Friesen *smart and savvy highly-caffeinated comedy*

If you missed Don's hilarious Showtime one-hour Special, "Ask Your Mom," you've got to catch him Live! Engaging, clever, and just flat-out funny, Don captures the irony of parenting, marriage and everyday absurdities through characters, voices, parodies and some of the best written routines around. The Seattle Post-Intelligencer says "Friesen will leave a lasting comic impression," and describes him as "offbeat, satirical, self-deprecating and slightly out of control."

As the only two-time winner in the 38-year history of the prestigious San Francisco International Comedy Competition, Friesen ignites the stage with a playful, high-energy spoof of his life as a modern suburban dad trying to get through the day with a bit of money in the bank and a scrap of dignity intact.
